planning and organizing a broad

Being Organized

TER DAY CEREM

PRESIDING — Clark Kerr

On March 18, 1959, at 2 p.m. in the Steninger Gymnasium, the ceremonies commemorating the founding, 91 years ago, of the University of California, will be held. Included with these ceremonies will be the inauguration of John B. deC. M. Saunders as Provost, and Willard C. Fleming as Vice-Provost of the San Francisco campus.

University of California President, Clark Kerr, will be chairman of the program and Dr. Ernest W. Page, vice-presi-

dent of the Academic Senate will me marshal.

Music for the ceremonies will be provided by the Medical Center Choral Society under the direction of Dr. R. Gordon Agnew.

Arrangements for the Charter day-Inaugural ceremonies have been accomplished by the Committee on Public Ceremonies under the chairmanship of Dr. Charles W. Craig.

The program for the afternoon is as follows:

NATIONAL ANTHEM

R. Gordon Agnew, D.D.S., M.Sc., Ph.D. Leader.

INVOCATION

The Reverend Eric Montizambert — Canon Theologian. Grace Cathedral, San Francisco.

INTRDUCTORY ADDRESS

Clark Kerr, Ph.D., LL.D.

President of the University.

GREETINGS

From the Regents of the University.

Donald H. McLaughlin, B.S., M.A., Ph.D., D. Eng.

Chairman, Regents of the University.

From the State-wide Officers of the University.

Stanley E. McCaffrey, A.B.

Vice-President — Executive Assistant.

From the Alumni of the San Francisco Campus.

Crawford Bost, M.D.

President of the Alumni Association.

School of Medicine.

From the Visiting Institutions

John Tocchini, B.S., D.D.S.

Dean, College of Physicians and Surgeons

School of Dentistry.

From the Faculty of the San Francisco Campus

William O. Reinhardt, A.B., M.D.

Chairman of the Department of Anatomy,

From the Students of the San Francisco Campus

Marcia A. Rehfuss President of the Associated Students.

From the Non-academic Personnel of the San Francisco

Campus.

Harold H. Hixon

Administrator, Herbert C. Moffitt Hospital.

CHORAL SELECTION

"Prayer for Brotherhood" based on Chopin's Prelude Op.

28, No. 20,

Frederic Fay Swift

H. Gordon Agnew, Director.

Dr. Karl Meyer to Give Faculty Lecture On Immunization Against Plague Progress

The second annual Faculty Research Lecture, "Immunization Against Plague," will be given at 9 a.m. Wednesday, March 18, in Toland Hall. The lecturer will be Dr. Karl F. Meyer, director of the Hooper Foundation emeritus, and professor of experimental pathology, emeritus.

Dr. Meyer is an internationally-known authority on plague and other animal borne diseases.

Honor Society to Dine at Palace

The National Supreme Chapter of the National Honor Society will hold a banquet on March 24, 1959 at the Shera-ton-Palace Hotel. Anyone who wishes to may attend, and tickets are available from Dr. Craig at \$7.00 per person. Entertainment will be provided by the University of California Senior Octet. The evening will be enjoyable content to attend be enjoyable, so plan to attend.

The Faculty Research Lecture, a traditional Charter Day event on University campuses, was instituted at the Medical Center last year. The Academic Senate nominates one of its members as the lecturer.

Faculty to Honor **U.S. Health Nurse**

Mrs. Lucille Petry Leone, Chief Nurse Officer, U.S. Public Health Service, will visit the San Fran-Service, will visit the San Francisco Campus on April 10 and 13. Mrs. Leone's visit is sponsored by the School of Nursing. She will meet with faculty and student groups as well as with Nursing Service representatives. She will be the principal speaker at a public lecture on Friday evening.

Mrs. Leone is well known in the Public Health field and is the author of many articles pub-lished in Nursing, Medical and Hospital journals.

Dr. J. B. de C. M. Saunders

PRESENTATION OF THE VICE-PROVOST

Clark Kerr

Poliomvelitis Vaccination A Must The Unvaccinated—A Hazard to Everyone

In a recent survey made by Student Health Service on the status of polio vaccination at the Medical Center, it was found that only 58 per cent of all students answering the questionnaire were adequately protected; 21 percent had received only one or two inoculations and 21 percent had received no vac-

cine. In other words, the last two categories of students are not protected against polio and represent a hazard to everyone.

According to the Bulletin of the State Department of Public Health of February 15, 1959, paralytic polio in California in 1958 dropped to a new low of about one case per 100,000 population as compared to 1.5 in 1957 and 8.2 in 1956. The total case of polio numbered 286 compared with 569 in 1957, when polio vaccination was first instituted, and 1738 in 1956, before the vaccine was available. However, of the 286 cases of polio in 1958, more than 200 were paralytic and 87 per cent of these occurred in persons who had not been adequately vaccinated.

The epidemic in Detroit, Michigan last summer gave ample proof of the efficacy of the polio vaccine. As both the death and paralysis reports rolled in, it was the same story — no polio shots, or just one shot, and the victim had failed to have the other two shots in the series. Fewer of the victims had received two shots and a relative handful had had all three shots. None of the dead had had three shots, and in those with paralysis despite three shots, the paralysis was slight.

Thus evidence points to the limitation of the paralytic form of the disease largely to unvac-cinated or inadequately vaccinated persons. It is the consensus among Public Health workers that complete polio vaccination will prevent 85 to 90 percent of the paralysis, the most terrifying aspect of this disease.

Unvaccinated people are a hazard to everyone, even to those who have already received their three-shot series, because the 10 or 15 percent of the latter may yet contract paralytic polio — albeit of a mild form — despite their having had the three-shot

The State Department of Public Health Bulletin of February status of polio immunization in California is such that . . . in the 15-40 year age group, more than two-thirds have not been adequately vaccinated." The 42 percent of students at the Medical Center who are not protected from polio is a close runner-up to the over-all State statistics and indicates that something is amiss with the students here, all of whom are pursuing their edu-cation and training in one of the Health Sciences. Such students should certainly be more cognizant of the need for protective immunization.

Dr. Gunner Gundersen, president of the AMA, in discussing the status of polio vaccination re-cently said: "We no longer are dealing with the problem of vaccinating the American public we must vaccinate the uninformed, the indigent, and the complacent." Certainly, you students do not fall into the indigent category. It is hard to be-lieve you are uninformed, since it has been shown repeatedly that the vaccine is safe, potent

and effective. The only explana-

assortment of campus-wide so-cial activities. The six commit-tees, each to be directed by a student chairman, are as follows: GAMES, FILM, DANCE, FINE ARTS, PROMOTION, and HOSPITALITY. These six chairmen, together with three separate officers, will comprise the UNION PROGRAM COUNCIL. As a council, the group will meet periodically to exchange ideas relating to the total activity needs of the campus. It is fur-ther planned that the Council

Chairman will be given a seat on the Union Board of Governors, for purposes of providing effective communication between

the two groups.

In common organizational style, each "major" committee will be comprised of a set of subcommittees performing special assignments. The Fine Arts Committee, for example, will prob-ably be made up of the music, art, publicity and arrangements sub-committees, each led by a sub-chairman. Including sub-committee personnel, it is estimated that approximately 75 to 100 students will be provided with an opportunity to participate in the over-all program.

After Committee Chairmen are named, sub-chairmen will be selected, and plans laid for the '59-'60 school year. In order to give new students a chance to take part in the program, committee

tion can be then because of complacency and apathy.

Let us not wait for an epidemic, such as occurred in Detroit last summer, to convince you to have the complete series of polio inoculations. The time is getting late for you to start the series in order to complete them by late summer or early fall when the polio season starts. The first two shots should be a month apart. The third shot should be given six to seven months later.

If you have had one or two shots, finish the series. If you have had none start NOW.

If you feel you are unlikely to contract polio because of your age, take note that in the Detroit epidemic last year, victims ranged in age up to 66 years. If you are under 40, the vaccine is a must; if you are over 40, it is still highly recommended.

Recently, Public Health authorities are recommending a fourth shot to be given any time from seven months after the three-shot series is completed. Students who received their third inoculation previous to August 1958 should receive a no'ther booster now. Polio inoculations are given at

the Student Health Dispensary on Mondays through Fridays from 9:00 A.M. to 5:00 P.M.

PRESIDENT CLARK KERR will preside during the 91st Annual Charter Day Ceremonies.

From The Desk of he Union Director

your attention is called to the following items of major interest:

COMING FILMS — Following "La Strade" the next three features to be presented by the Union Film Committee are "The Seven Year Itch" on March 20, "Mr. Hulot's Holiday" on April 10, and "My Six Convicts" on April 17. "Itch," of course, features the incomparable Marilyn Monroe, and will be accompanied by "In the Park" a short subject featuring the pantomime genius, Marcel Marceau, and a Tom & Jerry specialty, "Life with Tom." "Mr. Hulot's Holiday" is regarded by many as the best effort of France's comic de luxe, Jacques Tati, and will be shown along with the work of another comic master, Charlie Chaplin, "Easy Street." A U.P.A. cartoon, "Little Boy with a Big Horn" will round out the program on the 10th. The following week the program will consist of Stanley Kramer's "My Six Convicts" plus a short depicting the life of the literary giant, George Bernard Shaw and another Tom & Jerry battle, "Mice Follies." All films are shown in the Steninger Gymnasium on Friday night at 8:00 p.m. Admission price is 30 cents per person.

FOUNTAIN HOURS-By this time everyone should be aware that by popular demand the Union fountain is again open evenings until 10:30 p.m., Monday through Thursday, and until 11:00 p.m. on Fridays. (Closed Saturday at 7:00 p.m. and 5:00 p.m. on Sunday.) As indicated on the various announcement posters, this evening fountain service is on a trial basis. Speaking for the Board of Governors, however, I feel sure that we will realize the volume of business required to maintain this feature of the Union.

SUNDAY DINNERS - Another "revamped" feature of the Un. Dear Doctor Rapkin: ion Food Department is in the way of a variety of special Sunday Dinners. We have already is happening to my 6-year-old daughter. presented a Cantonese Dinner, Family Style Cafeteria Dinner, and by the time of the care of t and by the time this issue reaches the news stands we will also have offered a Smorgasbord and a Family Buffet. The cycle will be-

gin to repeat itself this coming Sunday, March 22, when we present a "South American Night," highlighting various dishes from the South American countries. All "Sunday Specials" are held be-tween 5:00 p.m. and 8:00 p.m. in the Main Cafeteria. Reservations are suggested (call Extension

729), but not required.

ACTIVITY SIGN-UPS — As mentioned in another article of this issue, we are now searching for a total of nine students to make up the nucleus of the UN-ION PROGRAM COUNCIL. The large number of problems associated with getting the new Union underway has made it rather difficult to begin full-scale development of the intended social activities program. While we are now prepared to place heavy emphasis in this area, it will require the assistance o fa number of interested students, willing to give a portion of their time to this important phase of student government. Any questions pertaining to committee duties, projects, or requirements can be directed to our office.

JUKE BOX-The next time you pass by one of the two suggestion boxes, we'd like to hear from you (pro or con) concerning placing a juke box in the Cafeteria-Fountain. What's your pleasure? DID YOU KNOW?—That since the opening of the Millberry Un-

ion, close to three hundred special events have been held in the new building, involving almost 20,000 persons? That approximately 15,-000 persons have enjoped use of either the Gymnasium, Pool or

Tact is the ability to clo your mouth before someone else wants to close it for you."

Newman Club

The second in a series of Fireside Chats sponsored by the UCMC Newman Club will be held this Sunday, March 22, from 7:00 to 8:00 p.m. in the Nurses' Residence at 610 Parnassus. Father Bernard Moran will discuss "The Church, Marriage, and You" with special emphasis on the problems encountered in a mixed marriage from both the Catholic and non-Catholic view-points. It will be an informal discussion and questions will be welcomed. This aspect of marriage follows the very successful student panel on "Epilogue to Marriage" which was held which was held March 15.

After the 9:30 Masses on March 22 and April 5, the Newman Club will hold Coffee Hours in St. Anne's Library. The next meeting will be on April 7 and will feature a talk by Dr. Gill Ayotte on the "Madico-Moral Aspects of Marriage." An evening of recollection is planned for April 12 which will be led by Rev. Peter J. Sammon.

Squash Courts? That 52,000 hot meals have been served? That some 6,500 patrons have been accommodated in the Book Store?

Dr. Clara W. Rapkin 5 East 63rd St. New York City

My 60-year-old father is losing his teeth and now the same thing

Could she be catching this from him?

MRS. JOHN D-

Do You Think for Yourself? (ANSWER THESE QUESTIONS) AND FIND OUT!*

1. If you were about to buy an automobile, would you (A) study the road-test reports in the magazines, or (B) select the car that looks best to you?

5. In buying a radio, would you be influenced more by (A) low price, or (B) product features despite a slightly higher price?

2. When confronted with a menu with lots of foreign terms, do you (A) ask what is in each dish, or (B) accept the waiter's recommendation?

When deciding on what movie to see, do you usually prefer films that (A) are gay and diverting, or (B) have a

social message?

3. When invited to play an unfamiliar game, do you (A) refuse to play until you fully understand the rules, or (B) pick up the rules as you go along?

7. When you run into a foreign phrase in a textbook, do you first (A) head for a dictionary to find the meaning, or (B) try to dope out the meaning yourself?

^	PL	

4. When invited to a party, do you (A) accept, hoping to enjoy yourself no matter who attends, or (B) try to learn who will be there before accepting?

8. When reading the paper, do you (A) catch yourself concentrating on scandal stories, or (B) spend your time on news and editorial matter?

9. In choosing a filter cigarette, (A) are you easily swayed by bold claims, or (B) do you think for yourself and stick by your decision?

If you're the kind of person who thinks for yourself . . . you use judgment in your choice of cigarettes, as in everything else. Men and women who think for themselves usually smoke VICEROY. Their reason? Best in the world. They know that only VICEROY has a thinking man's filter and a smoking man's taste.

*If you checked (A) on three out of the first four questions, and (B) on four out of the last five . . . you really think for yourself!

The Man Who Thinks for Himself Knows - ONLY VICEROY HAS A THINKING MAN'S TASTE!

"MENTAL HEALTH IN A WORLD OF TENSIONS"

a lecture by

John R. Rees, M.D., F.R.C.P. Director, World Federation for Mental Health

8:00 P.M., Tuesday, March 17 **Auditorium, Medical Sciences Building** University of California Medical Center

presented by

Department of Psychiatry, Univ. of Calif., School of Medicine - World Affairs Council of Northern California

> California Association for Mental Health The Public is Cordially Invited

Central Desk is The Place to Sign For Tournaments

LADDER TOURNAMENTS

Ladder tournaments will started in squash, billiards, table tennis, and badminton (men and women) as soon as enough teams are entered to set up the ladders. Briefly, the tournaments will be run as follows: each team entry will be set up on a "ladder" according to skill. Then any team in the tournament can challenge the teams either one or two notches above. Upon defeating that team the challenging team moves into the notch formerly occupied by the defeated team. In this way, any team has the chance to work their way up the "ladder." Sign-ups will be taken at the athletic control desk. For further information, contact the Union Recreation Director.

HUFFER'S CLUB

A sign-up sheet is being set up at the athletic control desk for all those interested in joining the Huffer's Club. The proposed Huffer's Club is a combined outdoor organization and anyone interested in outdoor activities of any kind is urged to join. WOMEN'S BASKETBALL

More teams are needed to fill out the women's basketball league. A schedule is now being set up but there is still time for entries. Obtain entry blank at the athletic control desk. WATER POLO LEAGUE

Any school or faculty group wishing to enter the water polo league may do so by signing up at the athletic control desk. A short league is scheduled to begin April 15th, and the entry dead-line is set for April 10th. Teams will be allowed practice sesions prior to the start of the league.

SKI LODGE RESERVATIONS Persons desiring to make reservations for the A.S.U.C. ski lodge at Norden for either week ends or week days, may do so by contacting Bud Alexander, Recreation Supervisor. Rates are \$6.60 per day. This rate includes meals and lodging. Skiers must provide their own sleeping bags. BRIDGE CLUB INSTRUCTION

IN MODERN DANCING AND BALL ROOM DANCING Sign-ups will be taken at the Central Desk for anyone interested in the Bridge Club Instruction in Modern Dance (Women), and Ball Room (Men and Wom-

en). These will be started as soon as enough interest is shown to warrant their organization.

Water Spectacular To Be Presented On March 20th

By HIRO MIYAHARA

A water spectacular will be presented on Friday, March 20th at 7:00 p.m. in the Millberry Union Pool. The purpose of this program will be to raise funds to send the U.C.M.C. Surfins to the Annual Aquatic Festival to be held in Chicago.

Last year, with the generous help of many friends the San

help of many friends, the San Francisco Surfins traveled to Milwaukee, where they placed second in competition at the Fourth Internatioal Academy of Aquatic Arts Festival. Again this year they have been invited to appear in the Festival to be held in Chi-

It might be of interest to you to know that the Surfins have been incorporated into the Millberry Union Recreation program. They have represented San Francisco very well in the past and have become widely known for their abilities.

A brilliant array of aquatic numbers will be presented on the Water Spectacular, as well as exhibition diving and swimming and clown and stunt diving. Included on the program will be members of the Moose Club from Oakland, coached by Betty Brenlein; the

the Surfins, coached by Dr. Lola Baer; divers Joan Treher and Bill Harris; and clown divers Clyde Diaz and Norm Hanley. DaAnne Beach of the Moose Club will do a solo number called "Merry Wid-ow." Lynn Kristie and Sharon Dean, also of the Moose Club, will present a duet entitled, "Reflections in a Cashmere Garden." The Surfins will present a number called "Snowflakes:" Members of the Surfins are: Nancy Day (U.C.), Glenda Odale (U.C.), Georgia Cutler, Norma Thornton, Steffi Pincson, Libby Bartmuse, Caroline Swanson (U.C.), Margot Von Staden, Barbara Corrigan, and Millie Matuson. As an added attraction, the Univ. of Calif. and Stanford medley relay teams will appear on the show to give an exhibition and to set records in the Millberry Union Pool.

Tickets for the show may be obtained at the Central Desk of the Millberry Union, or reserved by telephone at MOntrose 4-3600, extension 720. Prices are \$1.50 for adults and \$1.00 for children under 12 years of age. This will be a top notch water show and everybody is invited to attend. Remember, Friday, March 20th, 7:00 p.m. sharp.

DISTANCE SWIM competition going strong. Shown putting in their laps, from left to right, are Myers, Dental School; Robert Andersen, Pharmacy School, and Edmund Sewell, Dental School.

Women's Badminton - W. Ohlson 2 Ramirez 2 Albridge Burgess2 Siemens

Personalities In Pharmacy

On the cultural side, Janet Hooke of the first year class is giving ballet and modern dancing lessons to other interested female students. Once a week she and three other girls forsake their lunch period for an industrious period of prancing, running, bounding, and swirling in the Steininger Gymnasium. No wonder they sleep through Micro Lecture.

Mae Fong is one of the participants. Evidently she has felt guilty about not wearing her leotard to the first class party and has decided to give it some use, Mae has had a little modern dance before in college. Another dainty ballerina is Claude Bart. She also has had previous experience in ballet (eight years a 70). This leaves one other member. She is Florence Yokoi (undetermined experience). Incidentally, Janet is performing in a USF musical this Spring.

Many o fthe School of Pharmacy were aware of the extended absence of Carl Meyer, first year Pharmacy Student, from any and all of his classes last fall. Upon learning that he had not been sleeping during this period, we find that he was hospitalized from Oct. 25 to Dec. 1 with a herneated intravertebral disc in the lower lumbar region. This caused pressure on the sciatic nerve which involved loss of control of his left toe, great pain upon walking, and loss of ability to bend.

Upon questioning as to how this was contracted Carl replied, "probably 1) Summer surf-board accident at Santa Cruz, or 2) Minor automobile accident." For these, he has gone through hospitalization with 24 hour traction, wearing a flexion body cast (plaster cast from lower abdomen to upper chest), steel stayed brace to be worn for an indefinite length of time, and physical therapy beginning this March.

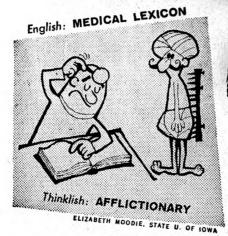

Other than having given up all vacations to make up lab work, Carl feels that he has beaten the operation.
