"LOUNGE EDUCATION"

(NOTE: At the annual Student Regional Conference of the Association of College Unions, held Nov. 2-4, the following address was delivered by Dr. James L. Jarrett, former Chairman of the Great Books Foundation, and currently President of Western Washington State College. Attending the Conference and representing the U.C. Medical Center were Jon Pegg, Medicine; Lida Chase, Nursing; Carl Meyer, Pharmacy, and John Dittmer, Dentistry.)

On the great topic of Colleges and Universities, the literature — laughingly so-called — is generally as soporific as a three o'clock lecture class. However, one conspicuous exception is a delightful essay by Stephen Leacock called "Oxford As I See It." Ostensibly about Oxford, the place quickly turns out to be a disquisition on college education—funny of course, but like most truly funny things, serious in its own way. After spending some time in talking about the great advantages of being smoked at by one's tutor, eating dinner in a great draughty hall, and living in digs which any proper house-mother or Dean of Women would turn up her nose at, Leacock goes on to describe how he would build a college, if he were ever called upon to do so. Naturally, there's never enough money for all good things, so a system of priorities has to be established. First things first, second things second, and down the line until the money runs out. But what is first? What do you think was most prized by this distinguished political scientist? A classroom building? A library? An erudite faculty? Perhaps a football stadium? Or maybe a parking lot—which today would almost certainly

get top billing? No, he said, first of all he'd build a lounge, some place where the students could come in out of the weather, find a place to sit—and talk. Once that is done, education starts to happen. Next, he said, he'd build a library. And then, if there were still money in the pot, he'd hire some professors and provide some classrooms. But first things first: and first is space for bull sessions.

Well, it's worth thinking about. I think we'd quickly agree that the value of lounge education lies in the quality of the minds that lounge there. I had a fraternity brother at U.C.L.A. who used to draw money from his mother, pay his fees and register for his classes, withdraw the next day, and spend the rest of the term in the lounge, playing bridge. And I will have to say that he became a very good bridge player indeed. But I always thought his education was unduly narrow. Some of my friends would be on his side if only he had played chess.

Today in the college we spend a great deal of time and money planning, teaching, and evaluating programs in general education, that is, the education that everybody ought to have regardless of his special interests and talents and goals. Do you know why we do that? Because of the generally poor quality of the lounge education, the education that goes on in the Union Building, and of course in the dining hall and the dorms. Believe me, I am more than half serious when I say that. Alfred North Whitehead tells some place that in all the time of his undergraduate career at Cambridge, he never attended a single lecture outside the field of mathematics, and yet he everged one of the most thoroughly and sublimely educated men of our age, one who

(Continued on Page 8, Col. 1)

MISCELLANEOUS:

Stag Night: This event has been "promised" before, but a variety of circumstances have held us back. However, this activity will definitely be staged on Thursday evening, March 8. Watch for assorted campus publicity in the weeks ahead.

Roaring 20's Party: (Second Annual) This event, staged for the first time last year, is being repeated this Spring by broad, popular demand. The date? Friday night, April 27. Suggest you circle this date on your Union Activities Calendar right now.

Publications:

The Union's complete *Second Semester Activities Calendar* is now available at the Union Central Desk. (Attention married men: be sure and show this calendar to "the missus.")

Daily Californians: Some confusion has arisen regarding the distribution of copies of the newspaper on our Campus and I hope the matter can be straightened out at this time. Back in 1959-60, and prior to that time, a limited number of "Daily Cals" were distributed in San Francisco at no charge. However, and at that time, these issues were "financed" from the local sale of A.S.U.C. athletic cards. When the University "took over" athletics from the A.S.U.C. newspapers were no longer available to us. This semester as a result of wide-spread interest in news of the Berkeley Campus, the Millberry Union is buying newspapers from the A.S.U.C. and we hope to recover this cost from the nominal .02¢ per issue charge.

ATHLETICS AND RECREATION:

Norvel "Bud" Alexander (Union Recreation Supervisor) and his staff have "put together" an extremely attractive array of second semester events, and you are urged to read Bud's article, appearing separately in this issue.

Looking ahead then, it appears that we are in for our busiest and best Spring Semester yet. I sincerely hope that your personal and academic schedules will permit you to attend a majority of these events, and that you find them very much to your liking!

COMMENTS FROM THE
UNION RECREATION
DEPARTMENT

As Robert Alexander has indicated in his message "From the Desk of the Union Director" (this issue), the Millberry Union's spring semester program calendar appears to be stacked full of interesting activities. To add to these many activities, the Union Recreation Department will be its usually busy self fulfilling its responsibilities in the area of conducting games, intramurals, tournaments, swimming instruction, excursions, and "you-name-it".

For the benefit of those who faithfully use the Synapse as a source of information concerning up-coming activities, the following brief run-down is given.

SPECIAL EVENTS

EXCURSIONS

Three (3) top-notch excursions are scheduled for the spring semester - two (2) weekend snow trips to Squaw Valley, one on February 9, 10, 11 and 12, and the other for February 23, 24 and 25. In addition an attempt will be made to schedule a chartered bus excursion to the 1962 Seattle World's Fair on April 19, 20, 21, and 22. There will also be camping and water skiing excursions planned for the latter part of this semester. Watch for announcements concerning these programs!

REGION II A.C.U. GAMES TOURNAMENT

For the first time, the Millberry Union will this year sponsor a team of eleven (11) participants in the Tenth Annual Region II Association of College Unions Games Tournament at Pullman, Washington, on February 15, 16, and 17, 1962. See separate article in this issue for details.

FENCING MEET

In joint sponsorship with the Northern California Division of the Amateur Fencing League of America, the Millberry Union Recreation

(Continued on Page 4)

From the Desk of the Union Director

To: The Editors, Synapse
From: Mr. R. A. Alexander

Editor Commer has indicated that this particular issue of our Campus Newspaper will be devoted primarily to a "preview" of events scheduled for the new semester which will begin on February 5. Where the Millberry Union is concerned, it can be said that the next four months will feature an extremely broad array of interesting and different activities, each designed to make free time opportunity a cooperative factor with study in education. Looking ahead at these individual events then:

FILMS:

Thirteen (13) Friday night features will again be offered at 7:30 pm in the Medical Sciences Auditorium. Complete and printed schedules will be available on or about February 1. A few sample selections: "Bitter Rice", "The Seventh Seal", "Butterfield 8", "Olympia", "Macbeth" and "Belles of St. Trimains."

ART EXHIBITS:

A total of nine "shows" will be offered this Spring, including the third annual *Campus Hobby Show*, February 28 through March 20. Samples of show titles: "Great Moments in Medicine" (The Park Davis Company), "Chinese Brush Paintings" (Imported from Hong Kong), "Intarsias" (Wood Mosaics, Mr. Robert Biancalana).

MUSIC:

Continuing to recognize the deep appreciation for music held by members of this Campus, the Union has scheduled a significant number of musical activities and forms. Some dates are already firm, while others will be resolved in the very near future. Sample programs follow:

Symphony Concert: Forty (40) musicians from the San Francisco Symphony, in a pro-

gram commemorating "Jewish Music Month." Mr. Edgar Braun conducting. Free admission, with date to be announced.

Military Band Concert: Set for the noon hour on Tuesday, March 27. The Marine Corps Band from 29 Palms, California, will again perform on the top "deck" of the Parking Garage.

Dance Concerts: Two such concerts, one "amateur" (students from the Santa Barbara Campus) and one "professional," (from Ceylon) are in store. The native dancers from Ceylon will perform on Wednesday, March 7, and the student group will be featured at noon on Friday, April 13.

Musical Review: Set for the noon hour on Tuesday, March 20. No admission charge, with event to be staged in the Steninger Gymnasium. "Starred" again will be our student friends from the Brigham Young University, this year offering highlights from the top Broadway Show, "The Boy Friend."

SPECIAL: In addition to the Ceylonese dancers on March 7, the month of March will also offer two outstanding and international names from the world of professional music.

On Wednesday, March 14, Mr. Ruggiero Ricci, Violinist will present a ninety minute Concert. (Place, time and price to be announced.) Then, on Thursday, March 29, the Campus will be treated to a solo vocal concert by Miss Phyllis Curtin, leading New York Opera Soprano. (Again, place, time and price to be announced.) Watch future issues of this newspaper for all details.

NOON CONCERTS:

These programs, popular in years past are set to be "revived" in the months just ahead. Six programs have been set for the Music Room, observing the following schedule: (All dates are Tuesdays.)

February 20	Two Piano Soloists
March 13	Baroque Chamber Music
April 3	Solo Folk Singer
April 17	Tenor Soloist
May 1	Choral Ensemble
May 15	Piano Soloist

(Continued on Page 2, Col. 1)

CHILDREN'S FILMS

Seven (7) top films, especially selected for children, are scheduled on the Saturday film calendar "Films for Little Bears". A complete printed schedule is available and can be picked up at the Millberry Union Central Desk. The spring semester program will include several well-known and loved children's classics. As an example: *Treasure Island*, *Davy Crockett*, *Toby Tyler*, *The Yearling*, and *Tom Thumb*. *Treasure Island* will start out the series on February 17, 1962. All films are scheduled for Saturday mornings at 11:00 a.m. Each of the main features is accompanied by cartoons. A cartoon festival will wind up the program on April 28. For a special treat, try the "Films for Little Bears".

NOON CONCERTS

Pianists *Patricia Michaelian*, 12, and *Vera Brebada*, 14, head a series of noon concerts this spring that will be well worth watching for. They will play on February 20 in the Millberry Union Music Room from 12 noon - 1:00 p.m. Both girls are students at the Conservatory and have performed widely in the Bay Area. They will bring to this hour a wealth of talent and experience. *Don't miss this one!*

COMING NEXT - A program of Baroque Chamber Music on March 13 with recorder, cello, piano and violin.

BALLROOM DANCE INSTRUCTION

Sign-ups for the next series of ballroom dance classes are now being accepted at the Millberry Union Central Desk. The new series will consist of 10 class sessions meeting in the Union Table Tennis Room on alternate Wednesday evenings from 8-9 p.m. throughout the spring semester. The instructors are *Mr. and Mrs. Morley Genuth*. The program will include a combination of Latin American and American dance steps. The class fee is \$3.00 per person. The first class session is scheduled for Wednesday, February 14, 1962. We invite you to join in. You will have a lot of fun in the party-type atmosphere offered by the Genuths.

Preliminary tournaments for the purpose of selecting U.C.M.C. team members for participation in the 10th Annual Region II Association of College Unions Games Tournament will be conducted by the Millberry Union Recreation Department during the week of February 5 through 10. A total of eleven team members will be selected to represent the Medical Center for competition in bowling, chess, pocket billiards and table tennis. Campus tournament winners will be awarded round-trip transportation and lodging to the Regional Tournament. The Region II Games Tournament will be held at the Wilson Compton Union, Washington State University, Pullman, Washington, on February 15, 16, 17, 1962. The following is a run-down on each of the games for which team members will be selected:

- a) **BOWLING** - Men's Division (6 men only)
Women's Division (4 women only)

Campus Tournament - Monday, February 5, 1962 6:30 - 8:30 p.m. to be held at the Park Bowl, Haight and Stanyan Streets. Team members to be selected on basis of high 3-game scratch average.

- b) **POCKET BILLIARDS** (1 man only)

Campus tournament - Wednesday, February 7, 1962, 7-10 p.m. Main Lounge, Millberry Union. Winner to be selected through the process of a double elimination type tournament.

- c) **CHESS** (2-man team only)

Campus tournament - Thursday, February 8, 1962, 7-10 p.m. Main Lounge, Millberry Union. Team members to be selected through the process of double elimination type tournament.

- d) **TABLE TENNIS** (2-man team only)

Campus tournament - Thursday, February 8, 1962, 7-10 p.m. Main Lounge, Millberry Union. Team members to be selected through the process of a double elimination type tournament.

Individual entry forms are now available at the Central Desk and Athletic Control Desk of the Union building and should be submitted to the Recreation Supervisor as early as possible. No entries will be accepted after 5 p.m. on the date of each of the tournaments as scheduled. The U.C.M.C. team will leave the Medical Center on Tuesday evening, February 13 and will return on Sunday, February 18.

LOCKER CLEARANCE NOTICE

A note to those who might have forgotten to clear or renew their Millberry Union gym locker at the end of the fall semester — January 24th was the deadline. (This matter concerns only those who checked out a locker for just the fall semester). Lockers that were not cleared or renewed properly have been emptied by the Recreation Department staff. Equipment found in the lockers will be stored and may be claimed by the owners by calling at the Athletic Control Desk. Equipment not called for within three months will be disposed of.

SQUASH RACKET STORAGE LOCKERS NOW AVAILABLE

Effective February 1, 1962, the Union Recreation Department will no longer store squash rackets at the Athletic Control Desk. In the future, players will be responsible for storage of their own rackets. Recently 175 squash racket storage lockers were installed in the athletic wing. The Union Recreation Department will now provide on a rental basis squash racket storage lockers. These lockers may be rented on the same basis as the regular gym lockers at 50¢ per semester and 25¢ for the summer period.

MEN'S FALL INTRAMURAL BASKETBALL RESULTS

Eleven teams playing a total of over 100 games in league competition during the fall semester proved once again that basketball is a highly favored sport on the Medical Center campus. During the fall semester 7 teams played in the Independent league and 5 teams in the Fraternity league. Competition and interest was high throughout the season.

INDEPENDENT LEAGUE

In the Independent League the Sophomore Medical "B's" showed their power with a 10-win no-loss record for the season. Holding on to second place at the end of the league was Freshman Meds who for an unknown reason had to forfeit their last two games, both to the Sophomore Medical "B's". The

Soph Med "B" team headed by Bob Hathaway found winning to be a habit. This same team, assisted by members of the now Soph Med "A's", won the Independent League title last year. Heading the roster for the Soph Med "B's" were: *Dave Smith, Dave Alvarez, Lou Cameron, Gerig Brott, Bob Hathaway, Scott Holmes, Ted Schrock, and Jerry Jorgenson.* Our congratulations to the champs!

INDEPENDENT LEAGUE STANDINGS

	WINS	LOSSES
Soph Med "B"	10	0
Fresh Med	6	4
Soph Med "A"	4	5
Soph Dents	4	4
Jr. Med	3	6
Jr. Dents	1	9

FRATERNITY LEAGUE

A tie for first place marked the end of the fall fraternity league, making it necessary for a play-off between the Xi Psi Phi and Kappa Psi teams. This play-off game, actually the 3rd match of the season between these two league leaders, is set for Thursday, February 8, 1962 at 7:00 p.m. in the Steninger Gymnasium. Each team has lost to the other once. This final game should prove to be a real thrill for all. The Xi Phi Psi team will be the defending champions for last year. A win for this year for the Zips will make it three championships in a row. Managing the Zips is *Rolph Patterson*. Team members include *Gus Gianillias, Bill Alexander, Don Linck, Rich Stowell, Don Treus, Sam Weeks, and Rich Laud.* Heading up the Kappa Psi team as manager is *Don deZordo*. Team members include *George Salmon, Gary Moore, Mike Frauchetti, Jim Flaharty, Rich Taricco, Bill Rogers.* Others have played on both of these teams but we don't have them on the official roster.

FRATERNITY LEAGUE STANDINGS

	WINS	LOSSES
Xi Psi Phi	7	1
Kappa Psi	7	1
Parnassus	4	4
House Staff	1	7
S. P. Hospital	1	7

Betty Chu	Richard Funamura
Fred Tashiro	Joyce Wong

FRIDAY SPORT FILMS

To spark this continuing weekly noon-time program, an exciting series of sports car films have been arranged for showing in the Main Lounge of the Union building throughout the spring semester. The first of the series will begin on Friday, February 7. Occasionally other sports films will be shown. Watch for the special spot announcement notices. If you haven't something better to do between 12 noon and 1 p.m. on Fridays, may we suggest checking in on these sports films.

ATTENTION - BOWLERS

Individual and team sign-ups in the Union sponsored spring bowling league are now being accepted. This league is a mixed league, bowling on Monday evenings at Park Bowl from 6:30-8:30 p.m. Deadline for entries is February 9. League play will begin February 19. *Note: There will be no bowling on February 12 as this date is an academic holiday.*

STAFF NOTES

Another new face to greet Union members as they check in to use the athletic facilities during the spring semester will be that of Mrs. Janice Hamilton. Janice will assume her new assignment as a Recreational Activities Assistant on a full-time basis effective February 1. Her major responsibilities will be in the area of women's activities and aquatics.

Janice is the wife of Bud Hamilton, a second year medical student. She is a graduate of S. F. State College with a combined major in physical education and education. Janice is well-qualified to assume her new duties. She has had considerable experience in aquatics as an instructor. She holds a Senior Life Saving and a Water Safety Instructor's Certificate. Through her physical education training Janice is qualified to conduct a variety of women's activities, including modern dance, which she says is her specialty. In a recent performance test she also proved that she is an excellent synchronized swimmer. It is a privilege to welcome Janice to our Recreation Department staff. We know that you will more than enjoy and appreciate her efforts.

(Continued on Page 7)

MILLBERRY TO HOST
INTERCOLLEGIATE BRIDGE
TOURNAMENT

As an added attraction for bridge enthusiasts, the Millberry Union will host campus play in the National Intercollegiate Bridge Tournament. The date is set for Tuesday, February 20, 1962, from 7-10 p.m. in the Main Lounge, Millberry Union.

General Description of Tournament

The Annual Intercollegiate Bridge Tournament is a contest in Duplicate Contract Bridge in which men and women at leading colleges and universities throughout the country compete for national and campus championship titles and trophies awarded by the Intercollegiate Bridge Tournament Committee.

Now in its fifteenth year, the tournament is devised as an interesting adjunct to the collegiate social program - a friendly event in which representative undergraduate and graduate students compete in a pleasant social atmosphere.

All competing colleges play on campus a set of sixteen hands. These hands are prepared and scored by a nationally recognized authority on Contract Bridge, who determines campus, regional, and national winners.

Who May Enter

The tournament is open to all campus personnel; however, only officially registered U.C.M.C. students will be eligible for scoring in national competition. Entry fee is \$1.00 per participant.

Awards

The colleges winning the national titles will be awarded trophies, one trophy for the college of the pair scoring highest on the East-West hands and one trophy for the college of the North-South hand winners. Trophies will be in custody of the colleges for one year. Each of the four individual national winners will be awarded a plaque for his permanent possession. Individual zone winners will receive plaques, with one going to each member of the N-S and E-W teams. In addition, each of these campus winners will receive a certificate suitable for framing.

SPORTS AND RECREATION

HOURS OF OPERATION FOR ATHLETIC
AND POOL FACILITIES -
SPRING SEMESTER 1962

*Monday - Friday	10:00 am - 9:00 pm

Entry deadline: Monday, Feb. 19, 1962
Play starts: Monday, Feb. 26, 1962
- D. Bowling League (No entry fee)
... Co-Rec League (Mixed, men and women)
Park Bowl
Entry deadline: Tuesday, March 12, 1962
Play starts: Tuesday, March 19, 1962

(Continued on Page 8,

"LOUNGE EDUCATION (Continued)

could discourse on metaphysics, history, literature, relativity theory, and evolution, on Malthus, Marx, Mill, Maxwell, and Meredith as well as on Riemann and geometry. Nor was it, in our expression, just off the top of his head, either; no, it was from several fathoms deep in his head and heart. Now, Whitehead was not just born this way. He, like the rest of us, (only more so) was a learner. And he learned from books and from his fellows. They argued religion at tea; they fought political battles over brussell sprouts; they brandished dessert forks over socialism; they lifted their sherry glasses at midnight to their favorite poet, and then settled down to some serious reading. But at breakfast, some new theory of cosmology was likely to start them out again, or atonality or the potentialities of collage and college.

Perhaps you think those days are gone forever when the undergraduates were named Whitehead and Bertrand Russell and John Maynard Keynes and E. M. Forster, but we too are nourishing men and women destined to be famous. But will we be able to summon the same nostalgia that is so characteristic of those great Cambridge minds? And if not, will it not be, at least in part, because we have neglected our lounge education, not taken full advantage of those chairs for supporting good talk—wide ranging, critical, argumentative, disputations talk?

I'll cast my vote with Leacock then: let's have a lounge and a library. And the chief purpose of the library is to stoke up for more talk, to provide more fuel for consuming your friendly enemies, and for warming the hearts of your friends. By all means, bigger and better Union Buildings, more honest and conscientious Union Boards, louder music for dances, juicier hamburgers, less stuffy administrators, and all the rest. But this is the question: over and above fun and games, is there going on the real, talky education that belongs in the lounge and the coffee shop, or are we dying of affluent triviality? What are you doing about it?

SWIMMING INSTRUCTION

Sign-ups for the next series of swim classes for both children and adults will begin February 1 and run through February 19. Instruction will begin during the week of February 19. Children's classes will be held on Saturday mornings from 9-11 a.m. Adult classes will be held on Monday and Wednesday evenings. The Senior Life Saving class will also be given on Tuesday and Thursday evenings. For additional information with regard to the swimming program schedule, fees, etc., we refer you to the swimming instruction program bulletin now available at the Athletic Control Desk. For information, call:

MO 4-3600, ext. 143

COMMENTS FROM THE UNION
RECREATION DEPARTMENT
(Continued)

Department will host a genuine fencing competition meet on Sunday, March 11, 1962, from 12 noon - 6 p.m. in the Steninger Gymnasium. This is the first time an event of this nature has been arranged. We hope you'll set aside the date for this new and interesting event.

THIRD ANNUAL
U.C.M.C. GOLF TOURNAMENT

The Third Annual U.C.M.C. Open Golf Tournament is scheduled for Wednesday, April 18, at the Sharp Park Golf Course. This event has built up momentum in the past three years and will no doubt this year prove to be the best tournament held to date. For the first time, this year an attempt will be made to hold a women's division in this annual tournament. Let us know if you are interested.

INTRAMURAL AWARDS NIGHT

The second annual intramural awards night is set for Wednesday evening May 16. A special program similar to last year's event is planned. This is one night you'll not want to miss, especially those who participated in any way in the intramural program. Watch for more details concerning this event.

SPECIAL PROGRAMS

TRAMPOLINE AND
GYMNASTIC INSTRUCTION

Informal instruction in trampoline and gymnastics will continue throughout the spring semester. This program is handled by Jon Hazen, a freshman medical student, and is scheduled Monday through Thursday from 5-6:30 p.m. in the Steninger Gymnasium. Jon has faithfully supervised this program throughout the past semester. He is highly qualified as an instructor. He has competed intercollegiately and not only can teach but can show you how it is done.

SPECIAL NOTE REGARDING
THE TRAMPOLINE:

As most of our Union members are perhaps already aware, the trampoline is normally kept locked and is only checked out to those persons who are properly qualified to supervise its use. Those who wish to qualify may do so by contacting the Recreation Supervisor. A performance test is required. The names of those who pass are kept on a list at the Athletic Control Desk and are eligible to check out the key.

MODERN DANCE FOR WOMEN

Two separate classes in modern dance will be offered during the spring semester:

♦ TUESDAY AFTERNOON CLASS ♦

A Tuesday 5:30-6:30 p.m. program will be conducted by Miss Klarna Piska at the 610 Parnassus Residence Auditorium. This is a special class geared for body conditioning and posture development. The course is offered in a series of ten lessons. Class fee is \$1.00 per lesson. The program will continue throughout the semester thus making it possible to go in at any time during the year. For additional information on this program, contact the Union Recreation Department.

♦ WEDNESDAY EVENING CLASS ♦

The Wednesday evening class will meet from 7:30-8:30 p.m. The instructor will be Mrs. Janice Hamilton, a recent addition to the full-time staff of the Recreation Department. This program will be conducted in the Steninger Gymnasium and will take in trimnastics and creative dance. There will be no charge for this program. Since this is spouse night in the Union, we especially encourage the wives of Union members to participate. May we suggest taking in this fine program with a swim afterwards.

BRIDGE PROGRAM

Already in full swing, the Union bridge program will continue throughout the spring semester on Tuesday evenings from 7-10 p.m. Instruction, tournament and social play is offered under the direction of Mr. Jerry Prager (life master).

C.P.S. STUDENT HEALTH INSURANCE

Applications for California Physicians' Service Insurance will be available for new students and renewal of semi-annual memberships during the month of February, in the Director's Office, 240 Millberry Union.

Any regularly enrolled student is eligible for C.P.S. Insurance, and coverage continues through the Summer until registration in September, 1962. Post Doctoral students, are also included in the program.

Applications will be accepted until February 28, 1962. For additional information regarding the program, contact Miss Patricia Chapla, Room 240 Millberry Union, or call MONTROSE 4-3600, Extension 721.

COMMENTS FROM THE UNION RECREATION DEPARTMENT (Continued)

FINAL EXAMS STOP "MEDICS" WIN STREAK

The on-again, off-again U.C.M.C. Basketball Team, which successfully opened play in the San Francisco Class "A" Recreation League with a solid win against the Hamilton "Jets" 56-52, fell to the fate of final exams by losing the next two league games by scores of 52-39 and 48-46. These losses were incurred in play against the Victoria Super Market and the Pacific Associated Lighting teams respectively.

Starting the year with a 4-1 win margin in pre-league play, the "Medics" showed potential of a championship season. However, final exams handicapped the Medics to such an extent that its short-numbered squad could not hold up to the hot attacks by their opponents in their last two games. The Medics played a 5-man squad against the Super Market Club, and a 7-man squad against the Pacific Lighting Club.

Coach Randy Lim expects the U.C.M.C. Club to win the remaining 2 games of league play, since final exams will be over and he ex-

pects a full team show. The Medics play Seven Cities Athletic Club on Thursday, February 1, and their old rivals the "Veterans of Foreign War" on Monday, February 5. Both games will be played at the Lincoln High School Gymnasium, 24th and Rivera Street, San Francisco. Game time is 8:30 p.m.

May we also remind you that the "Medics" play the Cal "Freshmen" on March 10 in a preliminary game to the Cal U.C.L.A. game. The U.C.M.C. game is set for 6 p.m. on this date. Arrangements are being made to secure a special seating section for U.C.M.C. rooters. Everyone is requested to wear his lab coat on this occasion.

Sign-ups for the special rooters section tickets for the March 10 game may be made at the Union Central Desk. Rounding-up the U.C.M.C. squad are the following play makers. Heading the list as co-captains are *Ron Marinda* and *Bob Nemechek*. Others include *Bob Albo*, *Earl Schultz*, and *Bill Alexander*. Rounding up the squad are the following fine players:

Dr. Robert Albo	6' 4"	Center forward
Bob Nemechek	6' 1½"	Forward
Earl Schultz	6' 4½"	Forward center
Dr. Ron Marenda	5'11"	Guard
Bill Alexander	6' 1"	Guard
Dr. Howard Adler	5'11"	Forward
David Alvarez	6' 2"	Forward
Don deZordo	6' 3"	Forward
George Salmon	6'	Guard
Ted Schrock	6'	Forward
Fred Singer	6'	Forward center
Dave Smith	6' 1"	Guard
Neill Urano	5' 7"	Guard
Gary Weber	5'10"	Guard
Jim Wadnigak	6' 1"	Forward
